Customer Owned Banking Code of Practice

The Customer Owned Banking Code of Practice (COBCoP) is the code of practice for Australia's mutual building societies, credit unions, mutual banks and other mutual Authorised Deposit-Taking Institutions. The COBCoP commenced operation on 1 January 2014, replacing the previous Mutual Banking Code of Practice. Its purpose is to set standards of fair and responsible banking for Building Societies like The Mutual to follow when dealing with individuals and small business customers and their guarantors.

We undertake to comply with this Code in our dealings with you. Each relevant provision of the COBCoP applies to the products and services described in this booklet, and is incorporated into these Terms and Conditions.

The Customer Owned Banking Code Compliance Committee (CCC) is an independent committee, established in accordance with the COBCoP, to ensure that subscribers to the COBCoP are meeting the standards of good practice that they promised to achieve when they signed up to the Code. The CCC investigates complaints that the Code has been breached and monitors compliance with the Code through compliance activities such as mystery shopping, surveys and compliance visits.

If you have a complaint about our compliance with the COBCoP you can contact:

Financial Claims Scheme

The Financial Claims Scheme (FCS) protects depositors through the provision of a guarantee on deposits (up to the cap) held in authorised deposit-taking institutions (ADIs) incorporated in Australia and allows quick access to their deposits if an ADI becomes insolvent. The Mutual is an ADI. Depositors with The Mutual may be entitled to receive a payment from the FCS, subject to a limit per depositor.

If you qualify as a charity or community based organisation you may be entitled to a transaction fee exemption as set out in Part 2 of this PDS (only available with Business Cheque Account).

Risks

As with most investment products you are reliant on the ability of the issuer, in this case us, to meet our obligations to you under the terms of the particular product. Additionally interest rates may change. This means that where your Account has a variable interest rate, you may experience a reduction in interest income. Investing in a Term Deposit Account provides protection from falling interest rates during the term. The interest rate is fixed provided you do not withdraw funds prior to the Maturity Date. However, you forgo the opportunity to benefit from rises in rates during that term. Risks in relation to Payment Facilities are set out in clause 6 of these Terms and Conditions.

Costs

The current costs of using our financial products are set out in Part 2 of this PDS. We do not charge fees for establishing or closing your Account.

If you give us instructions to make a Payment on a Business Day after 9.00 am on that Business Day, we may process that Payment the following Business Day.

7.5 To the extent permitted by law and subject to any other provisions of these Terms and Conditions, we are not liable for any loss or damage you suffer as a result of using the Payment Facility or any delay, omission or failure in respect of any Payment. 10. Interest

10.1 Subject to these Terms and Conditions we pay interest on credit balances of Accounts.

10.2 Interest is calculated depending on the Account by applying the daily percentage rate to the credit balance of the Account at the end of each day as set out in Part 3 of this PDS. Interest will be calculated and credited to your Account monthly, quarterly, six monthly or on the Maturity Date of your investment if it is less than 12 months depending on the type of Account as outlined in Part 3 of this PDS. The daily percentage rate is the applicable percentage interest rate per annum divided by 365.

10.3 Under no circumstances whatsoever, will an interest rate paid on any Account be fixed for a period of more than 5 years.

10.4 Apart from where the interest rate is fixed for a Term Deposit or Sovereign Term Deposit Account we can change the interest rate from time to time at our discretion. If any law regulates such a change, we will only make the change to the extent permitted by, and subject to, the requirements of that law. Our

current interest rates are set out in Part 3 of this PDS. You can find out the current interest rate at any time by visiting any Maitland Mutual branch, phoning our Head Office on 1300 688 825 or viewing the Maitland Mutual Web Site www.themutual.com.au.

- 10.5 You agree when you open an Account that we can notify you of interest rate changes on an Account on our website. You can obtain information about our current rates by visiting a branch or our website at www.themutual.com.au, emailing info@themutual.com.au, or by calling our Member Service Department on 1300 688 825.
- 10.6 In the event an Express Credit Account has a credit balance, interest will be earned on the amount in credit at the then current rate of interest for the Express Savings Account respectively. Interest will be calculated on the applicable tiered balance, on a daily basis, and paid to the Account monthly.
- 10.7 If you have a home loan with us, other than a Credit Account you may ask for a Loan Saver arrangement. A Loan Saver arrangement requires your Loan Saver Account or 100% Offset Account and your Loan Account to be in the same name. If your loan is in joint names, you can only link your Loan Saver or 100% Offset Account if it is in one of the borrowers' names. We may, at our absolute discretion decline such a request.
- 10.8 A Loan Offset arrangement facilitates an Offset benefit on your Loan Account. That is the benefit is determined daily by calculating a notional interest amount on your Loan Saver or 100% Offset Account. Each month this notional interest is set off against your Loan Account interest so that the net amount of interest is charged to the Loan Account. If the balance of your Loan Offset arrangement exceeds the balance of the Loan Account no offset benefit will be obtained for the portion of your Loan Offset arrangement that exceeds the loan balance.
- 10.9 Notwithstanding anything in these Terms and Conditions, if a Home Loan Account is subject to a Loan Offset arrangement accepted by us we will:
 - a) not pay interest on that Loan Saver or Offset Account;
 - b) any interest which would otherwise be payable on your Loan Saver or 100% Offset Account is offset against your Residential Mortgage Home Loan as set out in Part 3 of this PDS;
 - c) ends on the earlier of:
 - i. discharge of your relevant Home Loan;
 - ii. closure of your Loan Saver or 100% Offset Account;
 - iii. the exercise of our absolute discretion to end the arrangement, subject to providing you with at least 30 days written notice.
- 10.10 Where your Account falls below the minimum opening balance the interest rate we pay will be reduced and may be nil.
- 10.11 Interest on Accounts is paid to that Account except in respect to Term Deposit and Sovereign Term Deposit Accounts, where if you request and we consent interest may be credited to another Account with us.
- 10.12 For Bonus Saver Accounts interest will only be paid if at least one (1) deposit and no withdrawals are processed during the calendar month. A deposit must be received by close of business on the last Processing Day of the month. If no deposits and any number of withdrawals are made no interest will be paid for that month.
- 10.13 For Real Estate Trust Accounts no interest is credited to your Account. However, interest earned on your Account is paid to the Office of Fair Trading monthly after the close of business at the end of the month as required by the Property, Stock and Business Agents Act, 2002.
- 10.14 For Solicitors Trust Accounts and Trust Statutory Deposit Accounts no interest is credited to your Account. However, interest earned on your Account is paid to the Public Purpose Fund after the close of business at the end of the month as required by the Legal Profession Act, 2004.
- 10.15 If you do not provide us with instructions on your Term Deposit or Sovereign Term Deposit Accounts prior to the Maturity Date we will set a new interest rate to apply to the funds accumulated in your Term Deposit or Sovereign Term Deposit Account for the same, or if not available, a similar term (as determined by us) as the term for which interest rate which applied prior to the Maturity Date was fixed. We will use the applicable rate of interest available at the time of the rollover and you will be notified of such rollover action arrangement. You may instruct us up to 7 days following such rollover action to provide us with instructions without any Reduced Term Interest Rate applying. We will provide you with a

Certificate of Investment reflecting the rollover action arrangement up to 7 days following such rollover date.

- 10.16 For Sovereign Term Deposit Accounts over 365 days (but in no instance over 36 months) we may negotiate a rate other than as set out in Part 3 of this PDS with you. Where such a rate is negotiated and the Account is opened we will provide you with a Certificate of Investment reflecting that arrangement as soon as reasonably practicable, the terms of which are then incorporated into these Terms and Conditions.
- 10.17 We may, at our absolute discretion, advise you in writing prior to the Maturity Date of your Term or Sovereign Term Deposit Account of the current rates and terms available. Details of these rates and terms are available at any Maitland Mutual branch, by contacting our Head Office on 1300 688 825 or by visiting the Maitland Mutual Web Site www.themutual.com.au.
- 10.18 If you withdraw your funds invested in a Term Deposit or Sovereign Term Deposit Account prior to the Maturity Date you will not be entitled to interest at the rate which was fixed and applied prior to the Maturity Date. You will only be entitled to interest at the Reduced Term Interest Rate from the Maturity Date or lodgement date first preceding your withdrawal of funds. The formula we use to calculate the reduced rate is set out in Part 3 of this PDS. Also see the section on Taxation - Withholding Tax in these Terms and Conditions.

11. Fees and Charges

- 11.1 The current fees and charges applicable to each of the Accounts and the Payment Facilities are set out in Part 2 of this PDS. You authorise us to debit these fees and charges to your Account in the circumstances set out in Part 2 of this PDS. Subject to clause 11.6 we may change our fees and charges from time to time (including introducing new fees and charges and changing the way in which we calculate our fees and charges and debit them to your Account). If any law regulates such a change we will only make the change to the extent permitted by, and subject to, the requirements of that law. There is no maximum limit on the amount of fees we may charge.
- 11.2 We may also deduct from your Account all and any Government Charges applicable to your Account from time to time.
- 11.3 Any failure by us to charge a fee or charge shall not constitute a waiver of that fee or charge or the right to charge that fee or charge in the future.
- 11.4 We may, at our absolute discretion, give you an allowance of fee free transactions, depending on the type of Account or the balance in that Account. We can change the number of fee free transactions at any time. The method by which we currently allocate fee free allowances is set out in Part 2 of this PDS.
- 11.5 If you are a charity or community based organisation your Account (Business Cheque Account Only) may at our absolute discretion, receive a transaction fee exemption as set out in Part 2 of this PDS.
- 11.6 If you are a full-time student or apprentice your Account (Express Savings Account only) may at our absolute discretion receive a transaction fee exemption as set out in Part 2 of this PDS.

- 11.8 You can apply for an exemption of transaction fees on your Loan Saver or 100% Offset Account by linking that Account to your home loan with us (excluding Credit Accounts).
 - ▶ When you link an Account to the qualifying loan you will receive a full exemption from transaction fees.
 - ▶ To receive your account exemption your loan account must be in the same surname. If your loan account is in joint names, you can only link your account if it is held in one of the surnames.

You can find out the current fees & charges and interest rates at any time by visiting any Maitland Mutual branch, phoning our Head Office on 1300 688 825 or viewing the Maitland Mutual Website www.themutual.com.au.
- 12.3 We do not agree to provide you with credit merely because we debit an amount to your Account that causes it to be overdrawn.

13. Statement of Account

- 13.1 We will send you a periodic statement of Account recording transactions on your Account unless:
- a) has a zero balance and there were no transactions during the statement period;

However, if you have chosen as your method of operation more than one person to operate your Account we require the number chosen by you to jointly make transactions or carry out an action. In our absolute discretion, we may require all joint holders to give us instruction to carry out an action (for example adding or removing an Account holder).
- 14.3 We are not required to make any inquiries in relation to any instructions you give us with respect to the operation of your Account. You are jointly and severally liable for any loss or damage you or a Third Party suffers as a result of us acting upon those instructions.
- 14.4 Subject to clause 14.2 instructions given to us by an Account holder may be varied by that Account holder only.

However if the Account is not one that can be accessed by a Card, you may ask us, by notice in writing signed by all of you, to restrict the Account so that it can only be operated by all of you, or some of you jointly.
- 14.9 Periodic statements and notices will be addressed to you jointly at your nominated address. You agree that each of you may have access to the Account is not one that can be accessed by a Card, and you have asked us, by notice in writing signed by all of you, to restrict the Account so that it can only be operated by all or some of you jointly, then you agree that access to information about the Account will only be allowed in the same manner.
- 14.10 If there is a dispute between any of the joint Account holders in relation to the Account:
- a) any one of you can give us notice in writing of the dispute;
 - b) when we receive that written notice we may restrict access to the Account in any way including:
 - i. electronically; or
 - ii. in any other way.
 - c) any restriction imposed by us may only be removed by us after receiving:
 - i. a Court Order advising us to do so; or
 - ii. a notice in writing signed by all of you authorising one, some, or all of you to access the Account;
and
 - d) subject to these Terms and Conditions and any rights we may have at law or otherwise, if we do not receive written notice of the dispute from you or any of you, we will not restrict access to the Account.

15. Combining Accounts

- 15.1 We reserve the right to combine all your Accounts (including, without limitation, closed Accounts and written off Accounts) in your name with us at any time without prior notice to you.
- 15.2 However we will inform you subsequently if we do this. In the event of any inconsistency between this clause and a contract regulated by the National Credit Code, the contract regulated by the National Credit Code will prevail to the extent of the inconsistency. If we exercise our right to combine your Accounts, we will do so reasonably and in compliance with any requirements of the Code of Operation for Centrelink Direct Credit Payments.

- b) returning to us all unused cheques and all Cards issued to you or an Additional Cardholder.

16.2 We may close your Account at any time by giving you notice that is reasonable in all the relevant circumstances (in some circumstances no prior notice may be given). Where we close your Account we will reimburse you for any amount your Account is in credit less any Government charges or fees or transfer credit funds to another party as required by law.

16.3 If you or an Additional Cardholder breaches any of these Terms and Conditions, we may close the Account.

16.4 If your Account is closed pursuant to clause 16.1, 16.2 or 16.3:

If we do agree to your request for other people to operate your account, we may impose conditions.

18.2 A person that is authorised to operate your Account is called an Authorised Signatory. You can arrange to have this authority revoked at any time. If you want to revoke the authority of an Authorised Signatory, you must notify us in writing (i.e. completing our prescribed form) and return to us any Card or chequebook that we have issued to that person.

18.3 These Terms and Conditions apply to the Authorised Signatory in the same way that they apply to you. You should ensure that any additional signatory has read these Terms and Conditions and complies with them. If the Authorised Signatory does not comply with the Terms and Conditions, you will be liable.

18.4 When an Authorised Signatory instructs us to carry out an action, or makes a transaction, we will act on the instructions of that person. You are responsible for all such actions and transactions.

18.5 We are not required to make any inquiries in relation to any instructions received by an Authorised Signatory in relation to the operation of your Account. You are wholly liable for any loss or damage you or a Third Party suffers as a result of us acting upon those instructions.

19. Changes to these Terms and Conditions

19.1 We may change these Terms and Conditions at our absolute discretion at any time. If any law regulates that change, we will only make the change to the extent permitted by, and subject to the requirements of that law.

19.2 You agree that we can give notice of changes to these Terms and Conditions, any material change, or any significant event that affects any of the matters specified in this PDS in writing, electronically, by an advertisement in a major daily newspaper circulated in the region where your Account is maintained or in any other way permitted by law.

- 21.1 If you have not quoted a tax file number (TFN), or for a Business Account, an Australian Business Number (ABN), or a TFN exemption in respect of your Account or you are a non-resident, we may be required by law to deduct withholding tax from interest earned from your Account, calculated at the maximum marginal tax rate plus the Medicare Levy.
- 21.2 Notwithstanding anything in these Terms and Conditions we will not pay interest to an Account that is subject to a Loan Offset Account arrangement. Any interest, which would otherwise be paid on your Account which is subject to a Loan Offset Account arrangement, will be offset against your relevant home loan (see clause 10.9) and is not subject to income tax. The tax effects of offsetting interest, are subject to tax laws administered by the Australian Taxation Office, and may change from time to time.

23.9 If any part of these Terms and Conditions is illegal, invalid or unenforceable at law, the rest of these Terms and Conditions are to be read so as to exclude any such part and will remain enforceable to their fullest extent.

23.10 If:

- a) the National Credit Code would make a provision of these Terms and Conditions illegal, void or unenforceable; or
- b) as a consequence of a provision of these Terms and Conditions, a provision of any other agreement would otherwise contravene a requirement of that Code or impose an obligation or liability prohibited by that Code.

These Terms and Conditions are to be read as if that provision were varied or omitted to the extent necessary for them or any other agreement to comply with that Code.

23.11 You authorise us to debit to your Account, any amount that these Terms and Conditions identify:

- a) you are liable for;
- b) we are entitled to debit your Account; or
- c) you have to pay us.

Part C: Terms and Conditions for Cheque Facility

This part applies if you have a Member Cheque Facility or use a Financial Institution Cheque.

24. Issuing and Writing Member Cheques

- 24.1 You must be 18 years of age or over to apply for a Member Cheque Facility.
- 24.2 You may only write Member Cheques on the forms we supply or forms we approve. These cheques are crossed not negotiable.
- 24.3 All member cheques that you write must be completed clearly and signed by you or an Authorised Signatory. You should only sign a cheque after it has been filled out.
- 24.4 You must prevent fraud occurring in relation to your Member Cheque Facility.
- 24.5 If you write a cheque and the amount stated on the cheque in words is different to the amount stated on the cheque in figures, we will pay the lesser of those two amounts.
- 24.6 If all Member Cheques written by you have not been presented, you must not write a Member Cheque or withdraw an amount of money or obtain an amount of credit that:
- exceeds the Cleared Funds less the amount of any unpresented Member Cheque/s;
 - would result in the amount owing on your Express Credit Account plus Member Cheques deposited to your Express Credit Account that have not been cleared, any applicable charges and any unpresented Member Cheques exceeding the Credit Limit under your Express Credit contract; or
 - together with cheques deposited to your Express Credit Account that have not been cleared, any applicable charges and any unpresented Member Cheques, would result in there being no Excess Amount.
- 24.7 When filling out a cheque you should always write the amount of the cheque in words as well as figures, as words are more difficult to alter. You should:
- try not to leave any gaps between words or figures;
 - begin the amount in words with a capital letter as close as possible to the words "The sum of" and draw a line from the end of the amount in words to the printed \$;
 - begin the amount in figures as close as possible to the printed \$; and
 - add the word "only" after the amount in words.
- 24.8 You must not write on a cheque with pencil or erasable ink.
- 24.9 A Member Cheque Facility is not available on Express Savings - Passbook, Christmas Club, Mighty Mutual, Cash Management, Internet Saver, Bonus Saver, Sovereign Term Deposit or Term Deposit Accounts.
- 24.10 a) What is the effect of crossing a cheque?
- Crossing a cheque means drawing two transverse parallel lines from top to bottom on the face of the cheque. When you cross a cheque, you are telling the ADI that the cheque must be paid into an Account with a financial institution and not cashed.
- b) What is the meaning of "Not Negotiable"?
- The words "not negotiable" between two parallel lines across the face of a cheque mean that, where the cheque is transferred, the person who obtains the cheque has no greater rights than the person who transferred it to him or her.
 - For example, if your cheque has been stolen and passed by a thief to an innocent person, you will be able to recover the amount paid on your cheque from the innocent person (or the thief if they are found) - this is because the thief has no rights to the cheque and therefore has passed no rights to the innocent person.
- c) What is the meaning of "Account payee only"?
- These words on a cheque are a warning to an ADI with which the cheque is deposited that the cheque should be paid only to the person named in the cheque as payee.

- d) What is the significance of deleting "or bearer"?
- i. The words "or bearer" mean that (except in the case where the cheque is crossed and must therefore be collected by an ADI) the ADI on which the cheque is drawn has authority to pay it to any person in possession of it even if that person found it or sold it unless the ADI has reason to suspect that the cheque might have fallen into the wrong hands. If you delete these words, the cheque becomes an "order" cheque.
 - ii. If a cheque is an "order" cheque then (except in cases where the cheque is crossed and must therefore be collected by an ADI, the ADI on which the cheque is drawn should only pay it to the named payee or to any other person to whom the named payee by endorsing the cheque on the reverse side, has ordered it to be paid.

25. Stopping Cheques

- 25.1 Subject to this clause you may request payment to be stopped on a Member Cheque or a Financial Institution Cheque which has not yet been presented for payment as long as you pay any charges we impose for this service. Our current fees and charges are set out in Part 2 of this PDS.
- 25.2 To stop a Member Cheque you must contact a Maitland Mutual branch or our Head Office on 1300 688 825 and complete a "Stop Payment Notice" form. If you have access to Internet Banking, a member cheque may be stopped using this Access Method. You will need to identify the cheque clearly by telling us the name of the Account, the amount of the cheque, the number and date of the cheque and the name of the payee.
- 25.3 You can only stop a Financial Institution Cheque if it has been lost or stolen. You cannot stop a Financial Institution Cheque in any other way including when you have a dispute with the payee. To stop a Financial Institution Cheque you must:
- a) contact any Maitland Mutual branch to request the stop payment;
 - b) complete a "Request to Stop Payment" form;
 - c) at the discretion of the The Mutual you may be required to provide us with a letter from the payee stating they have not received the cheque. If the payee is a business, company or other entity other than a natural person, the letter must be on the entity's letterhead. The letter must be provided before a replacement cheque is drawn made payable to the original payee;
- 25.4 Where a Financial Institution Cheque is stopped in accordance with this clause we may, at our absolute discretion, re-credit funds previously debited to your Account.

26. Dishonouring Cheques

- 26.1 We may, at our discretion, dishonour a cheque if:
- a) you have insufficient funds or available credit in your Account to cover the cheque;
 - b) the cheque has not been completed correctly or is incomplete (including but not limited to a cheque that is unsigned, undated, post-dated, stale, has no payee stated or has been materially altered and you have not authorised the alteration);
 - c) you have instructed us to stop payment on the cheque;
 - d) any member cheque attached to a credit Account presented for payment which would result in the credit limit being exceeded;
 - e) we have received notice of your mental incapacity, bankruptcy, insolvency, external administration or death.
- 26.2 If your member Account or credit Account is closed or your cheque facility is cancelled we may dishonour any cheque presented after closure or cancellation, unless you make other arrangements with us.
- 26.3 Our right to take action to recover money you owe us will not be prejudiced by any decision we make to meet payment on any member cheque. We do not agree to provide you with credit merely because we meet payment on a member cheque that causes your Account to be overdrawn.
- 26.4 We will charge a fee when any member cheque is dishonoured. Our current fees and charges are set out in Part 2 of this PDS.

27. Lost or Stolen Member Cheques and Members Cheque Books

- 27.1 You must keep your member cheque book and all unused cheques in a safe place at all times. This will help reduce the risk of theft.

- 27.2 You must keep your member cheque book separate from any plastic cards or other material that bears your signature. Under no circumstances should you leave signed blank cheques in your member cheque book.
- 27.3 If any member cheque or your member cheque book is lost, misused or stolen, you must notify us as soon as possible by contacting our Head Office on 1300 688 825.
- 27.4 If you delay unreasonably in advising us that a cheque or cheque book is lost or stolen or misused, other people may be able to withdraw money from your Account or Credit Account without your permission.

28. Cancelling your Member Cheque Facility

- 28.1 We may, at our absolute discretion, cancel your Member Cheque facility at any time by giving you notice that is reasonable in all circumstances.
- 28.2 If we cancel your Member Cheque facility you must return all unused cheques to us immediately after you receive notice of the cancellation.
- 28.3 If you do not hand in unused Member Cheques attached to the Account when you close the Account, you also agree that you will be liable for any transactions that occur on the Account by use of the unused member cheques after the closure date.
- 28.4 You can cancel the Member Cheque facility at any time by giving us notice in writing and returning to us all unused Member Cheques.
- 28.5 If your Account is closed for any reason you must return all unused Member Cheques attached to that Account to us immediately.

29. Liability

- 29.1 To the extent permitted by law, we will not be responsible for or liable for:
- a) any arrangement or transaction which is conducted or processed by us on your behalf;
 - b) the dishonour or failure to dishonour any cheque drawn by you;
 - c) any delay or failure in processing a transaction on your behalf; and
 - d) any other action taken or not taken in relation to your member cheque facility;
 - e) any discretion we exercise in determining the order in which payments are processed.

Part D: Terms and Conditions for Passbooks

This applies if you have a passbook facility.

Passbooks are issued for the Mighty Mutual, Cash Management, Christmas Club and Retirement Accounts.

30. Your Passbook

- 30.1 Each passbook we issue always belongs to us. We may retain or require you to return your passbook at any time. If we ask you to return your passbook, you must do so immediately. If we issue a replacement passbook you must not use the passbook it replaces and you remain liable for any use of the replacement passbook.
- 30.2 Under no circumstance should you keep a visible record of your signature with your passbook. This includes signed withdrawal forms or cards.
- 30.3 Your passbook is a record of your Account and must be kept in a safe place. If you do not comply with this condition and someone uses your passbook to withdraw money from your Account we are not liable.
- 30.4 You agree that:
 - a) you can present your passbook for up-dating at any of our branches;
 - b) it is your responsibility to have your passbook updated at regular intervals; and
 - c) the ability to have your passbook up-dated at one of our branches is the facility through which confirmations of transactions on your Account are provided to you.
- 30.5 We will not charge you a fee for the issue of a passbook or the entry of particulars into your passbook.

31. Lost or Stolen Passbook

- 31.1 You must notify us immediately by phoning our Head Office on 1300 688 825 or by contacting us at one of our branches, by telephone or in person if your passbook is lost, stolen or destroyed. If you do not, other people might be able to withdraw money from your Account without your permission. If you do not comply with this condition and someone uses your passbook to withdraw money from your Account we may not be held liable. If you lose your passbook, we may charge you a fee for a replacement passbook. (see Part 2 of this PDS for details)
- 31.2 If an unauthorised EFT transaction is made on your passbook Account, without your knowledge or consent, liability for that transaction will be determined in accordance with Part F: Terms and Conditions for EFT Transactions: Liability for Unauthorised Transactions. Otherwise we are not liable for any amount withdrawn from your Account until you tell us that your passbook has been stolen, mislaid or lost.

Part E: Terms and Conditions for Cards and Electronic Banking

We warrant that we will comply with the requirements of the ePayments Code.

Section 1: Visa Cards

This section applies if we issue a Card for your Account.

32. Your Visa Card

- 32.1 You must sign your card as soon as you receive it and ensure that any Additional Cardholder also immediately signs their Visa Card. A Visa Card may not be accepted unless it has been signed.
- 32.2 Each Visa Card we issue always belongs to us. We may retain or require you to return your card at any time. If we ask you to return a card, you must do so immediately. If we issue a replacement Visa Card to you, you must not use the Visa Card it replaces ("the replaced card") and you remain liable for any use of the replaced Visa Card.
- 32.3 You must not use your card after the expiry date printed on it.
- 32.4 You authorise us to give information to other persons for the purpose of authorising your transactions.
- 32.5 You can use your Visa Card, subject to withdrawal limits to:
 - a) withdraw cash at any branch of the Maitland Mutual;
 - b) withdraw cash from, or obtain an Account balance at any ATM within Australia and
 - c) use EFTPOS to:
 - i. if the merchant agrees, withdraw cash from an Account linked to your Visa Card; and
 - ii. purchase goods and/or services.
- 32.6 We can impose limits on the amount you can withdraw in cash from your Account from an ATM or EFTPOS facility. We may change the amount of this limit from time to time. If any law regulates such a change, we will only make the change to the extent permitted by, and subject to the requirements of that law. You will be notified of these changes in accordance with Part F clause 55 of these Terms and Conditions. The current limits are set out in Part 2 of this PDS.
- 32.7 We can refuse to authorise a proposed transaction if:
 - a) the transaction exceeds the cleared funds;
 - b) your Visa Card has been reported lost or stolen;
 - c) we have any other good reason to do so; or
 - d) you have an Express Credit Account that has a Credit Limit and the transaction would result in the amount owing on your Express Credit Account plus cheques deposited to your Express Credit Account that have not been cleared and any applicable charges exceeding that Credit Limit.
- 32.8 If you are an Account holder or Authorised Signatory we will allow you to collect a Visa Card on behalf of another Account holder or Authorised Signatory. You will be required to provide primary identification and ensure that the Visa Card is signed by the Visa Card holder as soon as possible after collection.
- 32.9 We can debit your Account with the amount of any purchases or cash advances and any other transactions made using your Card or any additional card.
- 32.10 If you link your Card to an Account with an Express Credit facility, you can access that Express Credit facility.
- 32.11 We do not guarantee that any merchant will accept your card or allow you to make a purchase through EFTPOS. We are not responsible for the following, unless the law says we are:
 - a) any goods or services which you have obtained from a merchant using your card;
 - b) any refund by a merchant.
- 32.12 Visa Cards are not available with respect to Mighty Mutual, Christmas Club, Cash Management, Internet Saver, Bonus Saver, Term Deposit or Sovereign Term Deposit Accounts.

33. Additional Visa Card

- 33.1 You may apply to have another person authorised to access and operate your Account with a Visa Card. If we do agree to your request, we can impose conditions. A person that is authorised to access and operate your Account with an Express Card is called an Additional Cardholder. If we accept your application:
- a) we will issue to that person A Visa Card linked to your Account (“additional Visa Card”);
 - b) your Account will be debited with all transactions made using the additional Visa Card and you will be responsible and liable for these transactions as if you had made them yourself;
 - c) these Terms and Conditions apply to the additional Visa Card in the same way that they apply to your Visa card. You should ensure that any additional cardholder has read these Terms and Conditions and complies with them. If the additional cardholder does not comply with the Terms and Conditions, you will be held liable.
- 33.2 You can arrange to have this authority revoked at any time. If you want to revoke the authority of an Additional Cardholder to operate your Account, you must notify us in writing and return any cards (cut in half and through the chip) we have issued to that person. A cancellation will not be effective until you have done both of these things.
- 33.3 You consent to us giving a person with an additional Visa Card information about your Account when:
- a) your Visa Card and Access Methods have been reported lost or stolen or compromised; or
 - b) we have any other reason to do so.

34. Cancellation of your Visa Card

- 34.1 You may cancel an Visa Card at any time. You can do this by contacting any Maitland Mutual Branch or by phoning our Head Office on 1300 688 825.
- 34.2 We may cancel your Visa Card at our absolute discretion at any time. If we cancel your Visa Card we will give you notice that we consider reasonably necessary (including notice after the fact in preference to prior notice).
- 34.3 If a Visa Card is cancelled:
- a) you must return the Visa Card (cut in half), including the CHIP component (where applicable) to us immediately;
 - b) you must still comply with these Terms and Conditions.
- 34.4 Unless a Visa Card is linked to a Credit Account, the Visa Card option is not a credit facility. It is a debit card only and allows you greater access to your savings. The issue of a Visa Debit Card does not in any way involve the provision of any credit by us to you.
- 34.5 Parental/ guardian written approval is required for cardholders under 16 to obtain a Visa Debit Card.
- 34.6 If you use your Visa Card overseas, foreign currency amounts charged or refunded to your Account or Credit Accounts are converted at Visa International’s choice:
- a) directly into Australian currency at the exchange rate Visa International decides; or
 - b) into United States currency and then into Australian currency at the exchange rates Visa International decides.
- 34.7 The Australian currency amount and any applicable currency conversion charges are then debited or credited to your Account or Credit Account.
- 34.8 You cannot make deposits in person outside Australia. Deposits in Australia can be made in person at any Financial Institution branch displaying the Visa logo.
- 34.9 You can arrange for an emergency replacement card, if required, at the time of reporting your Visa Card lost or stolen by contacting Visa International directly. We may impose a fee for providing a replacement card (see Part 2 of this PDS for details of our current fees and charges).

35. Visa Card Transaction Authorisation & Disputes

- 35.1 We can impose daily withdrawal limits on transactions you carry out at ATM and EFTPOS facilities in Australia or overseas using your Visa Card. We can change the amount of these limits at any time, subject to our notification obligations in clause 19, at our absolute discretion. The current daily limits are set out in Part 2 of this PDS.

- 35.2 Verified by Visa. For making purchases with your Visa Card over the internet, The Mutual provides a secure verification system known as Verified by Visa. Information and Terms and Conditions of Use for Verified by Visa are available online at: www.themutual.com.au.
- 35.3 Some transactions need authorisation from us. We may choose not to authorise a proposed transaction, including for example, where we reasonably consider that there is a risk of loss or fraud through the use of particular Merchants.
- 35.4 If you have an error or dispute with a Merchant about a transaction and if the Visa Card scheme rules apply, you may be entitled to a reversal of that transaction. If you believe that you are entitled to a Chargeback*, you must notify us immediately as the operating rules of the card scheme impose time limits for Chargebacks. For most transactions, Chargeback rights are limited to a maximum timeframe of 120 days from the transaction date. Once time limits have expired, any Chargeback rights may be lost. Where the ePayments Code applies to the transaction, its time limits may apply and not those of the card scheme. If you notify us in time, and we are satisfied that you are entitled to a Chargeback, we will credit your Account for the amount initially debited for the transaction. However, you should note that the Merchant also has rights to have the transaction further investigated and re-debited if appropriate. If you wish to dispute a Merchant transaction on your Mutual Visa Card you should phone us on 1300 688 825 or visit one of our branches.
- *Chargeback means a request by you for a reversal of a transaction where a dispute exists between you and a Merchant over that transaction in accordance with the Visa Card scheme rules.
- 35.5 You can pay with your Visa Card using Visa payWave by tapping your card against the contact reader. Payments using payWave can only be made at a participating merchant and if your purchase is under AUD \$100. If your purchase is equal to or over the AUD \$100 or you are using payWave with your Visa Card for the first time you may have to sign or enter your Visa Card PIN. Visa and our security systems continue to protect you from unauthorised transactions. The same conditions apply to your Visa Card payWave transactions as your other Visa Card transactions.

Where a user should reasonably have been aware that a system or equipment provided by any party to a shared electronic network was unavailable or malfunctioning, our liability may be limited to:

- 54.1 If clause 53 does not apply, you may only be made liable for losses arising from an unauthorised transaction regulated by the ePayments Code in the circumstances specified in clause 54.
- 54.2 Where we can prove on the balance of probability that a user contributed to a loss through fraud, or breaching the access code security requirements in clause 50:
- a) you are liable in full for the actual losses that occur before the loss, theft or misuse of a device or breach of access code security is reported to us, but
 - b) you are not liable for the portion of losses:

- i. incurred on any one day that exceeds any applicable daily transaction limit,
- ii. incurred in any period that exceeds any applicable periodic transaction limit,
- iii. that exceeds the balance on the facility, including any pre-arranged credit, or
- iv. incurred on any facility that we or you had not agreed could be accessed using the device or identifier and/or access code used to perform the transaction.

54.3 Where:

- a) more than one access code is required to perform a transaction, and
- b) we prove that a user breached the access code security requirements in clause 50 for one or more of the required access codes, but not all of the required access codes,

You are liable under clause 54.2 only if we also prove on the balance of probability that the breach of the access code security requirements under clause 50 was more than 50% responsible for the losses, when assessed together with all the contributing causes.

54.4 You are liable for losses arising from unauthorised transactions that occur because a user contributed to losses by leaving a card in an ATM, as long as the ATM incorporates reasonable safety standards that mitigate the risk of a card being left in the ATM.

Note: Reasonable safety standards that mitigate the risk of a card being left in an ATM include ATMs that capture cards that are not removed after a reasonable time and ATMs that require a user to swipe and then remove a card in order to commence a transaction.

54.5 Where we can prove, on the balance of probability, that a user contributed to losses resulting from an unauthorised transaction by unreasonably delaying reporting the misuse, loss or theft of a device, or that the security of all access codes has been breached, you:

- a) are liable for the actual losses that occur between:
 - i. when the user became aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen device, and
 - ii. when the security compromise was reported to us, but
- b) are not liable for any portion of the losses:
 - i. incurred on any one day that exceeds any applicable daily transaction limit,
 - ii. incurred in any period that exceeds any applicable periodic transaction limit,
 - iii. that exceeds the balance on the facility, including any pre-arranged credit, or
 - iv. incurred on any facility that we and you had not agreed could be accessed using the device and/or access code used to perform the transaction.

Note: You may be liable under clause 54.5 if you were the user who contributed to the loss, or if a different user contributed to the loss.

54.6 Where an access code was required to perform an unauthorised transaction, and clauses 54.2 to 54.5 do not apply, you are liable for the least of:

- a) \$150, or a lower figure determined by us,
- b) the balance of the facility or facilities which we and you have agreed can be accessed using the device and/or access code, including any prearranged credit, or
- c) the actual loss at the time that the misuse, loss or theft of a device or breach of access code security is reported to us, excluding that portion of the losses incurred on any one day which exceeds any relevant daily transaction or other periodic transaction limit.

54.7 In deciding whether we have proved on the balance of probability that a user has contributed to losses under clauses 54.2 and 54.5:

- a) all reasonable evidence must be considered, including all reasonable explanations for the transaction occurring,
- b) the fact that a facility has been accessed with the correct device and/or access code, while significant, does not, of itself, constitute proof on the balance of probability that a user contributed to losses through fraud or a breach of the access code security requirements in clause 50, and

- c) the use or security of any information required to perform a transaction that is not required to be kept secret by users (for example, the number and expiry date of a device) is not relevant to a user's liability.
- 54.8 If a user reports an unauthorised transaction on a credit card account, debit card account or charge card account:
- a) we must not hold you liable for losses under clause 54 for an amount greater than your liability if we exercised any rights we had under the rules of the card scheme at the time the report was made, against other parties to the scheme (for example, charge-back rights), and
 - b) this clause does not require us to exercise any rights we may have under the rules of the card scheme. However, we cannot hold you liable under this clause for a greater amount than would apply if we had exercised those rights.

55. Changes to your Terms and Conditions

This clause applies to the Terms and Conditions in this Part F.

- 55.1 We will provide you with written notice, at least 20 days before we change the Terms and Conditions to:
- a) increase your liability for losses relating to EFT Transactions;
 - b) impose, remove or adjust the periodic transaction limits applying to the use of the Access Method; or
 - c) impose or increase charges relating solely to the use of an Access Method, or the issue of an additional or replacement Access Method.
- 55.2 We will advise you of any other change:
- a) in time to comply with any applicable legislative requirements for a particular period of notice in advance of the date the change takes effect; or
 - b) where there is no such legislative requirement, in advance of the date the change takes effect; or
 - c) in the manner required by any applicable legislation, or if there are no such requirements, in a manner which is likely to come to the attention of as many Account and Credit Account holders as possible, which may include:
 - i. notice on, or with your periodic statement;
 - ii. notices on EFT terminals or in branches; or
 - iii. an advertisement in the national or local media.
- 55.3 However, we will not give you advance notice of a change necessitated by an immediate need to restore or maintain the security of the system or individual Accounts or Credit Accounts.

56. Statements - Electronic Communication

- 56.1 Except where the ePayments Code otherwise permits and subject to the requirements of any applicable law, you agree we may use electronic means to communicate with you instead of written communications, for example, to provide you with statements, notices, transaction confirmations or receipts electronically.
- 56.2 Subject to the requirement of any applicable law, where you carry out a transaction through Internet Banking a transaction record or receipt (which you can elect to save or print) is available to you on our website immediately on completion of the transaction. For these transactions we will not provide you with a paper transaction record or receipt.

57. Complaints or Disputes

- 57.1 If you have a complaint or query about a transaction involving use of an Access Method or Card, or of an entry on a statement, you should contact Maitland Mutual on 1300 688 825 immediately. If you are not satisfied with the information you have been given, you can enquire further in writing. You must set out all relevant information we require for our investigation of the matter.
- 57.2 Within 21 days of receiving your written complaint, we will either complete our investigation and advise you in writing of the outcome, or tell you in writing that we need more time to complete our investigation. If we are unable to resolve your complaint within 45 days, we will:
- a) inform you of the reasons for the delay;
 - b) provide you with monthly updates on the progress of your complaint; and

- c) specify a date when you can reasonably expect a decision to be made (unless we are waiting for a response from you and we have told you that we require that response).
- 57.3 The external dispute resolution scheme we are a member of with respect to electronic transactions is the Credit & Investments Ombudsman (CIO).
- 57.4 When we have completed our investigation of a complaint, we will promptly inform you of the outcome of that investigation and reasons for that outcome (including references to relevant clauses of the ePayments Code). Unless your complaint has been resolved completely in your favour, we will also provide you with details of any further action you can take in respect of the ePayments Code, including contact details for the external dispute resolution scheme.
- 57.5 If, as a result of our investigation of your complaint, we decide that your Account, or Credit Account has been incorrectly credited or debited, we will promptly make adjustments to your Account or Credit Account including any fees, interest or charges and notify you in writing of those adjustments (See Part 2 of this PDS for details of fees).
- 57.6 If, on completion of our investigation, we decide that you are liable, in accordance with the ePayments Code, for at least part of the amount of the transaction subject to the complaint, we will make available to you copies of any documents or other evidence relevant to the outcome of our investigation, including information from any logs or audit trails relating to the transaction and advise you where there was any system or equipment malfunction at the time of the transaction.
- 57.7 Where we decide to resolve your complaint arising from an unauthorised transaction in clause 54.2 and 54.6 we may within 7 Business Days of receipt of that complaint, adjust the balance of your Account, or in the case of a Credit Account the excess amount and subsequently notify you in writing of that adjustment.

58. Deposits to Accounts by Funds Transfer

- 58.1 Subject to verification of amounts deposited, we are responsible for the security of deposits received at Electronic Equipment controlled or provided by us or on our behalf from the time the transaction at that equipment is completed.
- 58.2 The Mutual accepts deposits to accounts by EFT Transactions based on the electronic account number and BSB only, we do not check the account name for EFT Transactions and those deposited funds will be credited directly to the account of the electronic account number provided. **Caution:** When arranging EFT Transactions for deposit to an account at The Mutual, you must ensure that the electronic account number you provide is correct, as any additional information (such as an account name) will not be matched to the account.

Part G: Terms and Conditions for BPAY[®]

59. BPAY[®] Conditions

- 59.1 These BPAY[®] Terms and Conditions apply if you ask us to make a payment on your behalf through the BPAY[®] Scheme.
- 59.2 We are a member of the BPAY[®] Scheme. The BPAY[®] Scheme is an electronic payment scheme through which you can ask us to make payments on your behalf to Billers who tell you that you can make BPAY[®] Payments to them. We will tell you if we are no longer a member of the BPAY[®] Scheme.
- 59.3 When you request us to make a BPAY[®] Payment, you must give us the information specified below under the heading "Information you must give us". We will then debit your Account or Credit Account with the amount of that BPAY[®] Payment. We may decide not to make a BPAY[®] Payment if there are insufficient Cleared Funds in your Account at that time. We are not acting as your agent or the agent of the Biller when we make a BPAY[®] Payment on your behalf.
- 59.4 If there is any inconsistency in relation to the use of the BPAY[®] Scheme between the Terms and Conditions set out in this Part G and the remainder of the Terms and Conditions set out in this document, the latter will apply to the extent of that inconsistency.
- 59.5 No transactions can be processed via BPAY[®] with respect to Christmas Club, Internet Saver, Term Deposit or Sovereign Term Deposit Accounts.

60. How to use the BPAY[®] Scheme

- 60.1 We will treat any instruction to make a BPAY[®] Payment as authorised by you, when it is given to us and either
- a) your Access Method is entered; or
 - b) you request us to process your instruction.

61. Information you must give us

- 61.1 You must give us the following information when you make a BPAY[®] Payment:
- a) the Account from which you want us to debit the BPAY[®] Payment;
 - b) the amount of the BPAY[®] Payment;
 - c) the Biller's Code of the Biller you wish to pay; and
 - d) the Biller customer reference number.
- 61.2 We do not have to effect a BPAY[®] Payment if you do not give us all of the above information or if any of that information is inaccurate.

62. Payments

- 62.1 We may impose restrictions on the Account(s) or Credit Account(s) from which a BPAY[®] Payment may be made.
- 62.2 We do not have to process a BPAY[®] Payment if there are insufficient Cleared Funds in the Account or Express Credit Account (if it operates as a debit facility only) from which you have instructed us to make the BPAY[®] Payment or if the BPAY[®] Payment, if processed, would cause the Credit Limit applicable to a Express Credit Account to be exceeded.
- 62.3 You must notify us immediately if you become aware that you may have made a mistake when instructing us to make a BPAY[®] Payment, or if you did not authorise a BPAY[®] Payment that has been made from your Account or Credit Account (this does not apply to a mistake you make as to the amount you mean to pay - see below).
- 62.4 On your request, we may at our absolute discretion, depending on the circumstances including the time of your request, stop a BPAY[®] Payment that you have instructed us to make. To make a request to stop a BPAY[®] Payment contact our Head Office on 1300 688 825.

63. Processing Payments

- 63.1 Subject to clause 63.2, Billers who participate in the BPAY[®] Scheme have agreed that a BPAY[®] Payment you make will be treated as received by the Biller to whom it is directed
- a) on the date you make that BPAY[®] Payment, if you tell us to make the BPAY[®] Payment before the Payment Cut-off Time on a Banking Business Day; or

- b) on the next Banking Business Day, if you tell us to make a BPAY[®] Payment after the Payment Cut-off Time on a Banking Business Day, or on a non- Banking Business Day; or
 - c) on the day or next Banking Business Day, that you have nominated for a scheduled payment to take place.
- 63.2 We cannot guarantee that a BPAY[®] Payment will always be treated as being received as set out in this clause. If you tell us to make a BPAY[®] Payment before the Payment Cutoff Time on a Banking Business Day your payment will generally be treated by the Biller to whom it is directed as having been made on that day. The BPAY[®] Payment may take longer to be credited to a Biller if you tell us to make the BPAY[®] Payment after the Payment Cut-off Time on a Banking Business Day or on a day that is not a Banking Business Day or if another participant in the BPAY[®] Scheme does not process a BPAY[®] Payment as soon as they receive its details. Payment Cut-off Time: 3.30 pm New South Wales time.

64. When a Biller cannot process a payment

- 64.1 If we are notified that a Biller cannot process a BPAY[®] Payment, we will:
- a) advise you of this;
 - b) credit your Account or Credit Account with the amount of the BPAY[®] Payment;
 - c) if you ask us to do so, take all reasonable steps to assist you in making a BPAY[®] Payment to that Biller as soon as possible.
- 64.2 You should check your Account records carefully and promptly report to us as soon as you become aware of any BPAY[®] Payments that you think are errors or are BPAY[®] Payments that you did not authorise or you think were made by someone else without your permission.

65. Accuracy of Information

- 65.1 You are responsible for ensuring:
- a) the customer information provided to us by you at the time of registration is accurate and that you inform us promptly of any change to this information;
 - b) the accuracy of information provided to us through Internet Banking and Phone Banking and BPAY[®] payments made over the counter.
- 65.2 If you discover that you instructed us to make a payment to a Biller for an incorrect amount:
- a) if the amount you instructed us to pay is greater than the required amount, contact the Biller for a refund; or
 - b) if the amount is less than the required amount, you should make a further payment (using BPAY[®] or another method) for the difference.
- 65.3 You must notify us immediately if you become aware that you may have made a mistake (except for a mistake as to the amount you mean to pay - for those errors see clause 65.2). Clause 71 describes when and how we will arrange for such a Payment to be refunded to you.

66. Changes to terms affecting BPAY[®]

- 66.1 We reserve the right to vary these BPAY[®] Terms and Conditions and will inform you of the changes in accordance with clause 67 of these Terms and Conditions.

67. Changes to your Terms and Conditions

This clause applies to the Terms and Conditions in this Part G.

- 67.1 We will provide you with written notice, as least 20 days before we change the Terms and Conditions to:
- a) increase your liability for losses relating to EFT Transactions;
 - b) impose, remove or adjust the periodic transaction limits applying to the use of the Access Method; or
 - c) impose or increase charges relating solely to the use of an Access Method, or the issue of an additional or replacement Access Method.
- 67.2 We will advise you of any other change:
- a) in time to comply with any applicable legislative requirements for a particular period of notice in advance of the date the change takes effect; or
 - b) where there is no such legislative requirement, in advance of the date the change takes effect; or

- c) in the manner required by any applicable legislation, or if there are no such requirements, in a manner which is likely to come to the attention of as many Account or Credit Account holders as possible, which may include:
 - i. notice on, or with your periodic statement;
 - ii. notices on EFT terminals or in branches; or
 - iii. an advertisement in the national or local media.

67.3 However, we will not give you advance notice of a change necessitated by an immediate need to restore or maintain the security of the system or individual Accounts.

68. Suspension

68.1 We may suspend or cancel your right to participate in the BPAY[®] Scheme if at any time:

- a) a user or any one acting on a user's behalf are suspected of acting in a fraudulent manner; or
- b) in circumstances we consider appropriate.

69. Cut-off Times

69.1 BPAY[®] Payments may be effected the next Business Day if you tell us to make a BPAY[®] Payment on a Saturday, Sunday or Public Holiday or if the Biller does not process a Payment as soon as they receive its details. If you arranged a post-dated BPAY[®] payment that falls due on a Saturday, Sunday or Public Holiday, the payment will be effected just before 9am on the first business day prior to the Saturday, Sunday or Public Holiday.

69.2 If you instruct us to make a Payment before the times specified below it will in most cases be treated as having been made on the same day. Cut-off times: Monday - Friday 3.30pm AEST Saturday, Sunday and Public Holidays; processed next Business Day.

70. Account Records

70.1 You must check your Account records carefully and immediately report to us as soon as you become aware of any BPAY[®] Payments that you think are erroneous, or made by someone else without your permission.

71. Liability for mistaken payments, unauthorised transactions and fraud

71.1 Liability for losses arising from unauthorised BPAY[®] Payments is governed by clause 54 of these Terms and Conditions.

71.2 We will attempt to make sure that your BPAY[®] Payments are processed promptly by the participants in the BPAY[®] Scheme, including those Billers to whom your BPAY[®] Payments are to be made.

71.3 You must tell us immediately if:

- a) you become aware of any delays or mistakes in processing your BPAY[®] Payment;
- b) you did not authorise a BPAY[®] Payment that had been made from an Account or Credit Account; or
- c) you think that you have been fraudulently induced to make a BPAY[®] Payment.

71.4 We will attempt to rectify any such matters in relation to your BPAY[®] Payment in the way described in this clause. If the ePayments Code applies to your Account or Credit Account and a BPAY[®] Payment is made on your Account or Credit Account without your knowledge or consent, liability for that unauthorised BPAY[®] Payment will be determined in accordance with clause 54 of these Terms and Conditions. Otherwise, to the extent permitted by any applicable law or Code, we are not liable for any consequential loss or damage you suffer as a result of using the BPAY[®] Scheme other than any loss or damage which is due to our negligence or breach of any condition or warranty implied by law which cannot be excluded restricted or modified at all or only to a limited extent.

71.5 If a BPAY[®] Payment is made to a person or for an amount which is not in accordance with your instructions (if any), and your Account, or Credit Account has been debited with the amount of that Payment, we will credit that amount to your Account or Credit Account (including any fees, charges or Government charges arising from that Payment). However, if you were responsible for a mistake resulting in that Payment and we cannot recover within 20 Banking Business Days of us attempting to do so from the person who received the amount of that Payment, you must pay us that amount.

71.6 If a BPAY[®] Payment is made in accordance with a Payment direction which appeared to us to be from you or on your behalf but for which you did not give authority, we will credit your Account or Credit Account

with the amount of that unauthorised Payment. However, you must pay us the amount of that unauthorised Payment if:

- a) we cannot recover that amount within 20 Banking Business Days of us attempting to do so from the person who received it; and
 - b) the Payment was made as a result of the Payment direction which did not comply with any requirements we may have for such Payment direction.
- 71.7 If a BPAY[®] Payment is induced by the fraud of a person involved in the BPAY[®] Scheme, then that person should refund you the amount of the fraud induced payment. However, if that person does not refund you the amount of the fraud induced payment, you must bear that loss unless some other person involved in the BPAY[®] Scheme knew of the fraud or would have detected it with reasonable diligence, in which case we will attempt to obtain a refund for you of the fraud induced Payment.
- 71.8 If a BPAY[®] Payment you have made falls within the type described in clauses 71.5, 71.6 and 71.7, then we will apply the principles set out in clause 71.6. If a BPAY[®] Payment you have made falls within both the types described in clauses 71.5 and 71.7, then we will apply the principles set out in clause 71.7.
- 71.9 You indemnify us against any loss or damage we may suffer due to any claims, suits, demands or action of any kind brought against us arising directly or indirectly because you:
- a) did not observe any of your obligations under the BPAY[®] Scheme Terms and Conditions; or
 - b) acted negligently or fraudulently in connection with the other Terms and Conditions of your Account or Credit Account.
- 71.10 If you tell us that a BPAY[®] Payment made from your Account or Credit Account is unauthorised, you must first give us your written consent addressed to the Biller who received that BPAY[®] Payment, consenting to us obtaining from the Biller information about your Account with that Biller or the BPAY[®] Payment, including your customer reference number and such information as we reasonably require to investigate the BPAY[®] Payment. We are not obliged to investigate or rectify any BPAY[®] Payment if you do not give us this consent. If you do not give us that consent, the Biller may not be permitted under law to disclose to us information we need to investigate or rectify that BPAY[®] Payment. If we are advised that your Payment cannot be processed by a Biller we will credit your Account or Credit Account with the amount of the BPAY[®] Payment.
- 71.11 You acknowledge that receipt by a Biller of a mistaken or erroneous BPAY[®] Payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between the payer and their Biller.
- 71.12 This clause 71 only applies to EFT Transactions to the extent to which Part F of these Terms and Conditions does not apply.

72. Disputes

- 72.1 If you have a dispute which relates to a BPAY[®] Payment and you are an individual who has requested us to make a BPAY[®] Payment on your behalf wholly or exclusively for private or domestic use then we will deal with your dispute in accordance with dispute resolution procedures established under the BPAY[®] Scheme.

Part H: Terms and Conditions for Merchant Facility

This part applies to Business Account holders who apply for a Merchant Facility from another ADI.

73. Applying for a Merchant Facility

- 73.1 We are a party to a referral agreement with another ADI, together with other Building Societies, whereby we refer Business Account holders wishing to acquire a Merchant Facility to the ADI who may, at their discretion, provide the Business Account holder with the Merchant Facility.
- 73.2 You can apply for a Merchant Facility at any Maitland Mutual branch by completing the application form. We then forward the application to the ADI for consideration according to their usual business criteria.
- 73.3 If the application meets the criteria and is approved by the ADI, they will negotiate directly with you and forward further information and contracts for execution.
- 73.4 The ADI will dispatch the terminal to you upon receipt of the signed contract. It is your responsibility to install the terminal received from the ADI.
- 73.5 We reserve the right to refuse to forward to the ADI any application you make to acquire a Merchant EFTPOS Facility at any time.

74. Fees, Charges and Commissions

- 74.1 The ADI will negotiate any fees and charges in relation to the Merchant Facility directly with you. Any fee structure we provide to you in relation to the Merchant Facility is indicative only and is only to be used as a guide to the potential fees and charges that may be charged by the ADI.
- 74.2 All fees and charges payable by you to the ADI in relation to the Merchant Facility will be debited directly from your Business Account.
- 74.3 In the event your Business Account becomes overdrawn as a result of the fees and charges payable to the ADI, you agree to indemnify us for such amounts and agree that we can recover from you those amounts including but not limited to:
 - a) such charges relating to Credit Card transactions and Debit Card transactions (including service charges, fees and other charges) as are determined by the ADI from time to time and which are notified by the ADI to you;
 - b) all Government Charges and taxes that apply;
 - c) the full amount of all sales refund transactions processed pursuant to your agreement with the ADI;

 - f) any amounts representing sales made on the facility which have been charged back by the ADI; and
 - g) all other monies due to the ADI pursuant to your agreement with the ADI.
- 74.4 We receive commissions from the ADI for referring Business Account holders. For full details of the commissions see Part 2 of this PDS.

75. Termination

- 75.1 We reserve the right, at our absolute discretion, to notify the ADI that we will no longer facilitate the arrangements contained in this Part I in respect of your Business Account.
- 75.2 Nothing in this Part H precludes us from closing your Business Account in accordance with these Terms and Conditions. We will notify the ADI of any such closure.

Part I: Terms and Conditions for Mutual Direct Debit User Facility

76. Mutual Direct Debit User Facility Terms and Conditions

- 76.1 If you hold a Business Account with us you may apply to participate in the Mutual Direct Debit Facility provided by us. The Mutual Direct Debit User Facility enables you to make multiple direct debit transactions using BECS.
- 76.2 To apply for the Mutual Direct Debit User Facility you will be required to meet the following requirements:
- a) Hold a Business Account with us; and
 - b) Complete a Direct Debit User application form. A non-refundable application fee as disclosed in Part 2 of our Terms and Conditions will be debited from your Business Account when your application is received by us.
- 76.3 If your application is successful you will be required to enter into a Direct Debit User Agreement that will set out the Terms and Conditions that apply to the Mutual Direct Debit Facility. You need to comply with the Terms and Conditions of the Direct Debit User Agreement and the BECS rules.
- 76.4 In accordance with the Direct Debit User Agreement you must:
- a) obtain from each of your customers, prior to debiting items from their Account, a DDR in writing and in your favour in such form as approved by us; and
 - b) enter into, prior to debiting items from your customer's Accounts, a DDR Service Agreement in such form as approved by us; and
 - c) establish a fair policy for your customers to dispute any debit item; and
 - d) agree to indemnify us against any losses, expenses, claims, suits, demands, actions and proceedings as a result of:
 - i. any negligence, misrepresentation or fraud with respect to performance of your obligations under the Direct Debit User Agreement and/or BECS rules; and
 - ii. a breach by you of any applicable laws.
 - iii. a failure by you to observe your obligations under the Direct Debit User Agreement.
- 76.5 To initiate the direct debit from your customer's Account you will process a file containing direct debits in a ABA (sometimes known as Cemtext) format via our Internet Banking interface. Our Internet Banking interface will not allow any file to be processed that is not in the correct format.
- 76.6 Proceeds of the direct debits are credited to your Business Account at the time you process the file referred to above. Three (3) Business Days clearance will apply to the amount so credited to your Business Account.
- 76.7 The ongoing provision of the Mutual Direct Debit User Facility will be in accordance with the BECS rules and you agree to be bound by the BECS rules in place and as may be amended from time to time.

77. Termination

- 77.1 Subject to the Terms and Conditions contained in the Direct Debit User Agreement either party may:
- a) terminate the Direct Debit User Agreement by giving 90 days written notice;
 - b) serve the other party a notice specifying a date for termination of the Direct Debit User Agreement if there is a default by the other party.
- 77.2 If you, in our reasonable opinion, are in breach of the Direct Debit User Agreement or the BECS rules we may, at our absolute discretion, suspend your participation in The Mutual Direct Debit User Facility.

Part J: Linked Account

78. Linked Account

- 78.1 You must identify a bank Account ("the Linked Account") with us or with another financial institution in Australia on the application form. Funds can be withdrawn from your Internet Saver Account only by transfer to your Linked Account. The Linked Account must contain, as Account holders (whether alone or with others), the Account holder(s) of the Internet Saver Account, in exactly the same name(s).
- 78.2 The Linked Account must be an "at call" Account. That is, you must be able to withdraw funds from it at any time. A Term Deposit is not an "at call" Account.
- 78.3 If your Linked Account is with another financial institution you must complete the Direct Debit Request (DDR) form on the application form. Where your Linked Account is with another financial institution, it is your responsibility to check with that institution to see that the Linked Account will accept electronic debits and credits to it. The DDR Service Agreement (in Section K of this booklet) explains your rights (like how to cancel a direct debit request) and obligations in relation to a direct debit request. Please read it.
- 78.4 If you wish to identify an Account with us as your Linked Account we accept the following Accounts only:
- ▶ Express Savings
 - ▶ Loan Saver
 - ▶ Business Cheque
 - ▶ Retirement
 - ▶ 100% Offset
 - ▶ Business Maximiser
- or
- ▶ any other Account to which we consent.
- 78.5 if you have set up a Periodical Payment, we will transfer funds regularly from your Linked Account to your Internet Saver Account at your specified frequency and amount. You must ensure that your Linked Account has sufficient funds to meet every transfer. Failure to do so may result in fees charged to your Linked Account from the institution where the Linked Account is from. You may change or cancel your instruction in your Periodical Payment from time to time by:
- ▶ completing the Periodical Payment form; or
 - ▶ call our Member Service Department on 1300 688 825.
- 78.6 If you have set up an opening deposit amount in your application, after your Account has been opened, you authorise us to transfer your specified opening deposit amount from your Linked Account to your Internet Saver Account. Thereafter you also authorise us to debit amounts from the Linked Account in accordance with these Terms and Conditions and the terms of the Direct Debit Request Service Agreement or as you direct from time to time or all of the above.
